

Christmas Decoration Day

On 25th of November 2016, it was Christmas Decoration Day. We completed arts and crafts, made paper chains and listened to Christmas music. We also made stain glass window and we also played Christmas bingo and loads of Christmas games. Finally, some classes made snowflakes, we played amazing games and received sweets from Santa Claus. Everyone enjoyed the day. It was amazing. Everything was so popular.

The fun did not finish at 3:15pm because there was even a Christmas Fair after school. There were teddies, hot chocolate and best of all cupcakes. AMAZING! “It was fun and enjoyable. I would do it again!” reported MMA.
