

# YEAR 2 AIRPORT!

Reported by CB

The Year 2 children went to Rio in September and explored the wonderful city. The children had to pack outfits for all types of weather. This trip was a shock for Year 2 because only the teachers knew where the children were going!

One of the children told us what happened. Mr Di Capite was the pilot of the Copnor Express plane to Rio. The plane held 90 children and 8 adults.

Pupil: I C. Class: 2sh

“The day before we packed bags for all types of weather, then we went to school and got checked in by Mrs Norgrove . Then we were taken to the plane and were seated. The landing was very bumpy! We made flower necklaces and a mask. I enjoyed this imaginary trip because it fun and interesting.”

The children were even allowed to drink hot chocolate on the flight! Most children didn't want to leave the wonderful Rio.
