

THE PEGASUS DISCOVERY

On Thursday 5th of January, Year 5 discovered a box full of newspaper. One of the classmates of 5HP searched in the box and found a little Pegasus. Then another classmate pulled out a letter that she then read out loud to the whole class. It was from Newt Scamander. He is from fantastic beasts and were to find them.

This is what the letter stated:

Dear Year 5,

in this box is one of the most precious magical creatures that I have encountered on my travels. I would be grateful if you could look after it for me. Unfortunately, I am writing this letter quickly and have no time to explain further...

We cannot wait to find out about this creature and maybe we will learn how to care for it!
