

Year 6 Greek day! 😊

Year 6 had a Greek day in January. They wore costumes that made them look like Greeks. On the day, they made their own Greek masks for mythical creatures and plays. Some of the masks they made were very different. A year 6 who went to Greek day said: “We did lots of different activities and we wore Greek clothes.”

Another thing they did was try different Greek foods. One of the foods they tried was Feta cheese. Not everyone liked it though. A child who tried the cheese said, “I thought it was disgusting! It was a bit too strong and I thought the texture was too bumpy!” They tried other foods like humus and salty crackers.

They are now looking forward to learning more about Greek culture.
