

English

As readers and writers we will learn...

- To recap phonic knowledge to help our spelling and reading of new words.
- To write about real events.
- To use past tense throughout a piece of writing.
- To use question marks to demarcate question sentences.
- To use expanded noun phrases for description.
- To discuss and clarify the meaning of new vocabulary in texts we are reading.
- To answer and ask question about a text.

Maths

As mathematicians we will learn...

- To count in steps of 2, 3, and 5 from 0, and in tens from any number, forward and backward
- To add and subtract numbers using concrete objects, pictorial representations, and mentally.
- To recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers.
- To choose and use appropriate standard units to estimate and measure.
- To identify and describe the properties of 2-D and 3-D shapes.

RE

As thinkers we will learn...

- To describe the meaning of the symbol of light throughout Advent and Hanukkah.
- To describe, in simple terms, my responses to my own experiences of Advent and Hanukkah.

Year 2 Autumn 2 Curriculum

Travelling Through Time

Exploring technological advances in modern history.

History

As historians we will learn...

- To use words and phrases, such as before, after, past, present, then and now.
- To sequence artefacts in order.
- To place events on a simplified timeline.
- To compare pictures and photographs of events in the past.
- To use sources to answer questions about the past on the basis of simple observations.
- To describe, in simple terms, our responses to our own experiences.

As home learners we will learn...

- To read information books about things which interest us and talk about these with our families.
- To identify events in our families history.
- To identify how life has changed over time for our family.

PE/ Games

As sports people we will learn...

- To pass and move with a ball.
- To master basic movements, including running, jumping, throwing and catching.
- To participate in team games, developing simple tactics for attacking and defending.

DT

As designers we will learn...

- To explain fully how moving objects work.
- To investigate wheels, axels and turning mechanisms.
- To design and construct a product which uses turning mechanisms.
- To explain how mechanisms in our products work.
- To name some designers from history and some of their products.

Art

As artists we will learn...

- To explore ideas from imagined starting points.
- To develop ideas in a sketch book.
- To make a variety of lines of different sizes, thickness, tones and shapes.
- To use pencils, oil pastels and charcoal in our drawings.
- To show patterns and textures in my drawings by adding dots and lines.
