

English

As readers and writers we will learn...

- To understand the different depictions of evolution, adaption and inheritance across a variety of reading genres.
- To explore the formality and writing skills of biographies and autobiographies.
- To write our own autobiographies and biographies for a famous evolutionist of our choice.

Maths

As mathematicians we will learn...

- To revise key arithmetic skills and methods that we have learned across Key Stage 2.
- To make links across different concepts of mathematics and increase our mathematical fluency.

PE/ Games

As sports people we will learn...

- To understand how to play different types of shots in tennis.
- To understand how use specific physical techniques to improve our performance in athletics.

History

As historians we will learn...

- To study the key events that led to the birth of the theory of evolution.
- To explore the lives and accomplishments of famous evolutionists: Charles Darwin; Mary Anning; and Alfred Russel Wallace.
- To recognise and evaluate the immediate impact that the theory of evolution had on a religion-orientated society.

Year 6 Summer 1 & 2 Curriculum Survival of the Fittest!

From fossils to Natural Selection: we study the science behind the theory of evolution & the historical figures that championed it.

Science

As scientists we will learn...

- To recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.
- To create our own model representation of a fossilized organism.
- To identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

Music

As musicians we will learn...

- To listen to longer pieces of music and identify features.
- To comment on how the musical elements have been used expressively in a piece.
- To consider how one piece of music may be interpreted in different ways by different performers, according to venue and occasion.

This Theme will begin from 16/05/22, as Year 6 will be preparing and taking their KS2 SATs beforehand. Therefore, 'Survival of the Fittest!' will continue into the second Summer Term.

Computing

As computer users we will learn...

- To create and design a blog to aid Year 5's transition to Year 6, using hyperlinks and other navigational tools.
- To describe how data is stored (e.g. binary code).

PSHE / Circle Time

As citizens we will learn...

- To recognise what makes a positive, healthy relationship
- To develop the skills to form and maintain positive and healthy relationships

Art

As artists we will learn...

- To replicate the methods and artwork of Early Man's cave drawings
- To create intricate printing patterns by simplifying and modifying sketchbook designs.
