

English

As readers and writers we will learn...

- To mark sentences with capital letters and full stops.
- To form lower-case letters in the correct direction.
- To form capital letters of the correct size.
- To identify nouns and verbs.
- To recognise the importance of nouns and verbs when forming sentences.
- To use coordinating conjunctions to expand sentences.

Maths

As mathematicians we will learn...

- To show the value of tens and ones in a 2 digit number.
- To count in steps of 2s and 5s, forwards and backwards.
- To represent numbers using different representations.
- To compare numbers using the greater than and less than symbols.
- To solve problems using known number bonds.

PE/ Games

As sports people we will learn...

- To send and receive a ball, through kicking and stopping.

As a gymnast we will learn...

- To change direction in a variety of ways, as well as at different speeds.

Computing

As programmers we will learn...

- To use technology respectfully and responsibly.
- To save and retrieve work from a shared drive.

Science

As scientists we will learn...

About living things and their habitats:

- To compare things which are living, dead and that have never been alive.
- To understand what habitats are and which animals/plants may live there.
- To know how animals suit their habitats.
- To describe how animals find food through a simple food chain.
- To work scientifically by asking questions about things I have seen.
- To work scientifically by spotting patterns and links.
- To work scientifically to suggest answers to questions.

Year 2 Autumn 1 Curriculum

Into the Woods

Exploring the natural world while identifying the habitats and wildlife which live in it.

As home learners we will learn...

- To read information books about things which interest us and talk about these with our families.
- To identify habitats in our local environment, e.g. the garden, the park, the walk to school.

RE

As thinkers we will learn...

About creation stories:

- To compare creation stories from different religions.

PSHE

As citizens we will learn...

- To stay safe online.
- To understand where and how to get help around school.

Art

As artists we will learn...

- To create a simple pattern.
- To sort and arrange collage materials for a purpose.
- To say how an artist has used colour, shape and a technique to make a piece of artwork.
- To comment on others' work and suggest ways of improving my own work.
