

Your School Nursing Service

Someone you know and can trust to discuss your child's health

Allergies

Asthma

Diet

Growth

Sleep

Toileting

Weight

Immunisations

We can also offer support and advice if your child has disabilities, long term illness or other health needs.

If we can't provide the help ourselves, we will connect you with someone who can

**How can I access my
School Health Nurse?**

**Speak to reception to
book into a clinic.**

**You do not have to
tell school staff the
reason for your
appointment.**
