- **CPOMS** CPOMS is an online evidence based safeguarding programme developed specifically for schools for improving processes for managing child protection, safeguarding, inclusion, SEN, student welfare and other situations where security and data protection is paramount.

### **Why we share pupil information**

Copnor Primary School will not share information about our pupils with anyone without consent unless the law and our policies allow us to do so. We share pupils' data with the Department for Education (DfE) on a statutory basis. This data sharing underpins school funding and educational attainment policy and monitoring.

We are required to share information about our pupils with our local authority (LA) and the Department for Education (DfE) under section 3 of The Education (Information About Individual Pupils) (England) Regulations 2013.

Under the public duties of the Portsmouth Local Authority for improving education standards in Portsmouth, relevant personal information (name and address) will be passed to the Library Service to enable them to issue all Reception year pupils with their own library card.

Under the public duties of the Portsmouth Local Authority for moderating teacher assessments in Portsmouth, relevant personal information (UPN, name, subject and result) will be passed to our moderators from Southampton City Council in order for them to carry out their contracted duties on behalf of Portsmouth Local Authority.

### **Data collection requirements:**

To find out more about the data collection requirements placed on us by the Department for Education (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

### **The National Pupil Database (NPD)**

The NPD is owned and managed by the Department for Education and contains information about pupils in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies commissioned by the Department. It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

We are required by law, to provide information about our pupils to the DfE as part of statutory data collections such as the school census and early years' census. Some of this information is then stored in the NPD. The law that allows this is the Education (Information About Individual Pupils) (England) Regulations 2013.

To find out more about the pupil information we share with the department, for the purpose of data collections, go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

To find out more about the NPD, go to <https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information>.

The department may share information about our pupils from the NPD with third parties who promote the education or well-being of children in England by:

- conducting research or analysis
- producing statistics
- providing information, advice or guidance

The Department has robust processes in place to ensure the confidentiality of our data is maintained and there are stringent controls in place regarding access and use of the data. Decisions on whether DfE releases data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested: and
- the arrangements in place to store and handle the data

To be granted access to pupil information, organisations must comply with strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.
