

Spring Term 2 2022/2023

Hello and welcome to our Spring Term 2 issue of the Attendance Matters Newsletter.

Leave of Absence Requests

Reminder: We ask all parents/carers to ensure that all requests for absences in term time which are not for unplanned illness or planned medical/health related appointments complete the Leave of Absence Request form. The form can be found on our website using the link provided:

All requests are then considered by Mr Johnson in advance of the absence and parent/carers will be notified of the outcome in writing.

We would like to remind you that it is not possible to authorise Family Holidays or Trips in term time but we do need to be made aware of them in advance.

The Department for Education require us to mark any unexplained absences unauthorised.

As a school we aim for 96% attendance which is the national average.
