

British Science Week Poster Competition

The theme for British Science Week is all about connections and breaking stereotypes, so there are loads of STEM topics that could be explored in our Poster Competition.

How about exploring how our body parts are all connected and work together.

Or how internet connection has changed the world.

Or the connection between our actions and the impact on our environment?

Entrants can be teams or individuals

Entries must be one page of A4 or A3 paper only

Work must be original and created by the student(s) - please do not use any templates.

Deadline: Friday 17th March 2023

Winner and Runner up PRIZES for EYFS, Year 1-3 and Year 4-6

Winners will be entered into the national competition
