

Maths

If you know arithmetic is a target of yours, complete one of the practise papers on this QR code, then mark it using the answers provided.

As your project, let's learn to celebrate and learn from our mistakes. Pick 3-5 questions you got wrong, and create a poster explaining what your mistakes were and how it should have been done.

Writing

Can you choose your favourite book character, and write a character description for them? Try to include expanded noun phrases, figurative language and high-level vocabulary.

OR

Can you choose your favourite book, and create an extra scene for it? Try to include a range of sentence types, and speech.

You can then share your writes with the class.

Year 6 Spring 2 homework

menu

Choose one or more of the projects, and complete ready to bring in on the 27th March.

Art

Draw a picture of a Mayan warrior.
Write about who they were and what weapons they had.

OR

Can you draw or make a Mayan temple?

Science

Make a model sundial

You must also include:

- How did you make your design?
- Where did you get the design ideas from?
- What is it made of?
- How does your sundial work?
- Does it have to be put in a certain position?

DT

Can you design and create your own Mayan headdress?

OR

Think about your favourite chocolate treat. Design a wrapper for a new chocolate bar you have invented. Can you create a poster to explain your choices, using research.

OR

The Mayas were great farmers and enjoyed eating tortillas filled with cooked vegetables! Can you design your own Mayan tortilla recipe? Perhaps you could even make it.
