

Year 1 Autumn 1

All Creatures Great and Small

Homework Menu

Please select one of these activities that you would like to create and share with the class.

You have up until **Wednesday 23rd October 2024** so please take your time and produce something that you can work on over the half term.

Art:

Create a made up animal. Could you mix the features of different animals together? e.g. the whiskers of a cat and the curly tail of a pig. It could be a drawing, a collage, a sculpture or created using junk modelling!

English:

Research an animal of your choice and write some interesting facts about it. What does it eat? Where does it live? What does it look like?

English:

What is your favourite book at home? Draw a picture of the main character or showing the story. Describe what you have drawn.

Maths:

Show that you can order the months of the year.

What will the weather be like in each of the months?

Which months will be in which season?

Science:

Animals can be classified as amphibians, birds, fish, mammals and reptiles. Can you create a poster which includes a drawing of each type of animal to share with your classmates?

Science:

Draw an animal and label its features e.g. legs, body, wings etc.

What else are you able to write about your animal?
