Dear Parents/Carers,

Language and Heritage Week

We are excited to announce **Language and Heritage Week** at Copnor Primary School, **taking place from 17th March to the 21st March.** This special event is being celebrated as an opportunity to celebrate the rich diversity of cultures and languages within our school community and around the world.

Portsmouth is a City of Languages, and the local authorities are working hard to improve the take-up of languages in later education. We feel that getting children excited about languages at an early age can help with this.

In KS2 at Copnor, we teach the children French. This is taught by our class teachers, but is currently being taught by our specialist teacher, Mademoiselle Remond! Her parents are also teachers and some classes in KS2 will be writing a letter to the children's classes over in France. This is a fantastic way to give the children applied use for their language learning. All letters will be anonymous and checked before being sent.

As the week progresses, we will be answering the register in different heritage languages, hosting language workshops, and exploring fascinating facts about languages and cultures across the globe. All of these activities will happen on site, during school time. Please see a brief overview attached below.

Thank you for your support in making the Heritage and Language Week a success. If you have any questions or need further information, please don't hesitate to contact us.

Kind regards,

Mr H Andrews
