

Starting at Copnor Primary School

My new school is called Copnor Primary School. There are 3 reception classes.

Mrs Merrett is the teacher in Hendra class and is the Teaching and Learning Leader for EYFS. She works Monday, Tuesday, Wednesday all day and Thursday and Friday mornings.

Mrs Dickens is the teacher in Hendra class on Thursday and Friday afternoons.

Mrs Hudson is the teacher in Gray class. She works Monday, Tuesday, Wednesday and Thursday.

Mrs Bishop is the teacher in Gray class on a Friday.

Miss Hill is the teacher in Donaldson class.

I can arrive at school between 8:35 and 8:55

I will put my book bag in my group box. My teachers will tell me on the first day which group I am in.

I will put my water bottle in my group basket.

If I have a packed lunch, I will put it on the trolley.

I will say goodbye to my adult and then come into class and get on with a morning job. I will stay in the classroom and do my morning job.

After my morning job, an adult will ask me to tidy away and sit on the carpet. An adult will talk the whole class through the timetable of the day so I know what is going to happen. Sometimes this might change. If things do change, an adult will explain to me what is changing and why.

Sometimes, I will need to sit on the carpet to do some learning.

When I sit on the carpet I will sit still and look at the adult who is talking. I will not call out and I will keep my hands to myself.

I will learn inside the classrooms and in the outside classroom.

I must not walk through the rainbow arch without asking an adult. This is so I can be kept safe.

Sometimes, if it is raining heavily or very cold, the outside classroom will be closed. I will have to do my learning inside the classroom so that I am safe.

At lunchtime, I will walk sensibly to the hall with my class. I will take my water bottle to the hall with me. I will also take my lunch box if I am having a packed lunch.

If I am having a packed lunch, I will sit at the table and start eating my lunch. If I need help, I will put my hand up and an adult will come and help me. I will not get up out of my seat.

If I am having a school dinner, I will collect my dinner and choose a desert. I can then go to the salad bar and choose some salad to go with my lunch. Then I will sit down with my school dinner and eat it. If I need help, I will put my hand up and wait for an adult to come and help me.

At the end of the day I will get my things ready for home and sit in my space until my name is called.

When my name is called, I will collect my things and walk out of the classroom door to my adult. I could wave goodbye to my teachers.

If my grown up is unable to collect me, I will go to after school club. My teacher will walk me to the hall where I will meet the after school club grown-ups.
