

English

As readers and writers we will learn to...

- Sit in a comfortable writing position in the classroom.
- Use an effective pencil grip to ensure our writing is neat and legible.
- Apply my phonics knowledge to my spellings.
- Understand that a noun is a person, object or place and that there are common and proper nouns.
- Know that a verb is an action word and 'to be'.

Maths

As mathematicians we will learn to...

- Recognise numbers as words.
- Recall all number bonds to 10.
- Calculate 1 more and 1 less than numbers up to 20.
- Count backwards within 10.
- Use the vocabulary fewer, more and same.
- Use a number line and find missing numbers up to 10.

Computing

As programmers we will learn...

- What technology is and how it helps us.
- Where technology is found around us.
- How to use a computer mouse.
- How to use a computer keyboard.

Geography

As geographers we will learn to...

- Locate three features on an aerial photograph of the school and know the name of the country city in which they live.
- Make a map of the classroom with four key features, using objects to represent the distance and direction of features in the classroom.
- Recognise four features in the school grounds using a map.
- Explain how they feel about three areas of the playground and find out how others feel by looking at the results of a survey.
- Draw a design to improve three areas of the playground using the results from the survey.

Science

As scientists we will learn...

- To categorise animals into birds, fish, mammals, reptiles amphibians and insects.
- To be able to state the features animals within the same group share.
- To group animals into carnivores, omnivores and herbivores.
- To understand the basic needs of animals and humans.
- To understand the skills scientists use.

Year 1 Autumn 1 Curriculum All Creatures Great and Small

Introducing different types of animals and body parts.

We will be visiting Marwell Zoo and have a visit from 'Spirit of the Wild'.

As home learners we will learn...

- To read to our grown ups every night and enjoy stories together.
- To investigate wildlife in our local environment.

Music

As musicians we will learn to...

- Clap the rhythm of our names.
- Clap in time to music.
- Sing the overall shape of a melody.

RE

As thinkers we will learn...

- About the celebration of Harvest.

Art

As artists we will learn to...

- Know a range of 2D shapes and draw these.
- Know that different lines can be drawn in different ways.
- Understand what texture is and how we can make marks to draw a variety of textures.
- Use a sketchbook to practise our artwork.
