

Anglo-Saxon Year 4 Homework Menu

Choose one of these activities to complete this half term. Feel free to do more than one if you wish! The deadline for this is

Friday 12th December 2025.

If you finish before, you can bring it in anytime before this date. This work will be displayed outside the classroom or on our Year 4 shared area display board.

Computing

Research information about the Anglo-Saxon era and create a PowerPoint presentation to present your work. Can you try to insert some pictures of Anglo-Saxon artifacts from the internet?

English

Write a short story inspired by Beowulf. Your story should include a heroic main character, a fearsome challenge or monster, and a clear theme of bravery. Write at least two paragraphs and give your story a title.

DT

Make a 3D model of an Anglo-Saxon house. Plan your design by researching how houses used to look. Include features that reflect the daily life and culture of the Anglo-Saxons.

Music

Compose a short chant that Anglo-Saxon warriors might have sung before a battle. Use repetitive rhythms and simple words, and practice performing it with strong, confident voices like you are preparing for battle!

Art

Design your own Anglo-Saxon shield on a large piece of paper or cardboard, using traditional patterns like spirals, crosses, or animals. Using crayons, or markers could make it as detailed as possible, and feel free to add a handle on the back to make it feel real!

Maths

Create a colourful poster to help Year 3 students learn a times table of your choice. Include fun pictures and examples to make it easy and exciting to remember the facts.

History

Make a timeline of the Kings in the Anglo-Saxon era.
Can you include pictures and key facts to make it more detailed?
