A WELCOME MESSAGE

Welcome to our World Book Day 2026 Special Edition. We all had such a fantastic day yesterday, that we felt we needed to share it with you.

The children looked fantastic so thank you, as always, for your hard work on their costumes. Years 5 & 6 are of course now World Record Breakers but the rest of the school broke a Copnor Primary School record too! Read on to find out more..

COPNOR PRIMARY SCHOOL RECORD BREAKERS!

While Years 5 & 6 were out at Fratton Park, the rest of the school had their own record attempt to work on!

We too were successful, as we had over 350 children reading simultaneously on the playground! What an achievement!

We are all very proud of our children!

WORLD RECORD SUCCESS!

As we have already shared via our Instagram account, yesterday was an historic day for Copnor Primary School as we became Guinness World Record Holders along with a whole host of other schools across Portsmouth. Our Year 5 & 6 children joined thousands of others at Fratton Park, for a truly unforgettable World Book Day.

Thanks to the efforts of Portsmouth Creates and Pompey in the Community, we participated in a Guinness World Record attempt for the 'Most children taking part in a reading lesson simultaneously.'

With a whopping 6,754 children, we shattered the previous record of 3,509! Wow! What an amazing experience for our children!

YEAR 3 - BOOK REVIEWS

As part of World Book Day, Year 3 wrote a book review of their favourite book. We then made some of our book reviews interactive! There will be some of the children's book reviews on display in the shared area that will have a QR code that which will take you to a video of the child talking about their chosen book.

The children can then use the iPads to scan the QR codes to hear other people's book reviews. We are hoping that this will then give the children ideas about some other books to read!
