

Year 3 Antarctica Summer 1

Homework Menu

Please select one of these activities that you would like to create and share with the class.

You have up until Wednesday 20th May so please take your time and produce something that you can work on as an ongoing project

English

To write a news report about Ernest Shackleton's expedition to Antarctica. You may want to do a bit of research about it first. Try to include: adverbs, a range of sentence openers, paragraphs and some direct speech.

PSHE (Economic Well-being)

Create a poster teaching children about money and the different methods that you can use to pay. You should also include some tips on budgeting and making choices related to spending money.

Art

To create your own collage based on Antarctica.

Remember to be creative with your use of materials and use as many recycled items as possible.

Topic

Create fact file about a wild life species that lives in Antarctica.

Try to include how it adapts to the cold environment, what it looks like, what it eats and some images.

Computing

Create your own branching database to sort and categorise some living species of your choice. This can be designed on paper or computer based.
