It's been a fantastic start already – and it's only week one! We've enjoyed LEGO taster sessions, launched new after-school clubs, and our Year 4s have been continuing their trumpet lessons.

With such a busy and exciting start, we're looking forward to a fun-filled and productive half term ahead.

IMPORTANT INFORMATION

REMINDER: BREAKFAST CLUB & AFTER SCHOOL CLUB PRICE INCREASES

We would like to inform families that **from September**, there will be a small increase in the prices for both Breakfast Club and After School Club. There has been no increase for many years, and this change is necessary to help support the rising costs of running the clubs, including staffing, food and resources.

From September, a Breakfast Club session will cost **£5**, a short session at After School Club will be **£3.50** and a longer session will be **£8**.

These clubs continue to provide a safe, welcoming and enjoyable environment for children, and the increase will help ensure we can maintain the high level of care and service families expect.

We appreciate your understanding and ongoing support.

YEAR 3 - NATURE & CRAFT CLUB

Year 3 had the first session of their Nature and Craft Club with Mrs Hill and Miss Lowe this week. They really enjoyed creating clay leaf printing pots and also having a bug hunt in the Nature Nook!

YEAR 2 - LEGO

Year 2 had a taster session for the lego club yesterday. They had a go at working in teams to build either a monster or a house using an array of different lego bricks. They then had some time to free build and get creative. They really enjoyed working in teams to come up with a range of different designs.

YEAR 4 - TRUMPETS

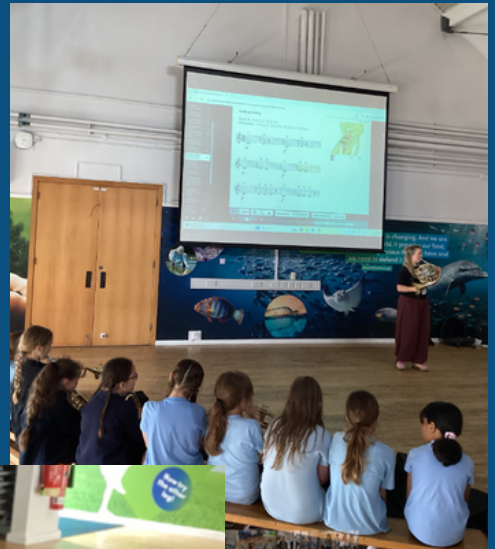

🎵 A highlight of our summer term! 🎺

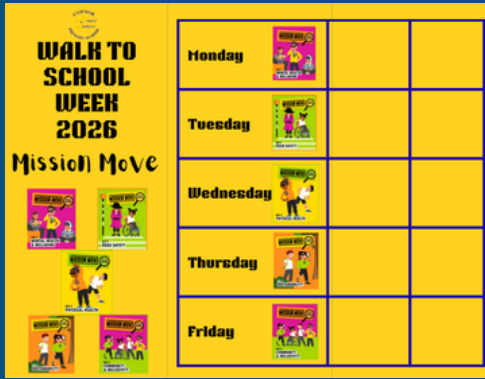

Our Year 4 children have been incredibly fortunate to participate in a trumpet workshop across both summer terms, exploring new musical talents and enjoying the experience of learning together. The workshop provided a fantastic introduction to brass instruments and inspired many children to develop their musical interests further.

We are so proud of their enthusiasm, perseverance, and growing confidence. What a wonderful opportunity to make music and create lasting memories!

A huge thank you to the Music Hub for providing this memorable experience. ✨

WALK TO SCHOOL WEEK 2026

Don't forget to send in the completed mission card with your child as soon as possible so that they can receive their certificate for their efforts!

As always, thank you for your support with this initiative for our children.
