

Reception Homework Menu. Summer 2.

Topic: Water, Water Everywhere!

Below are some different activity ideas you can have a go at over the next half term. You can bring in what you have created to show your teacher. It would be lovely for us to see them and share them with the class.

Continue to read your school book **4 times a week.**

Follow the drawing tutorial on how to draw a pirate ship.

Visit your local library and find some books about pirates / under the sea / sea creatures. You may want to find some fiction books and some non-fiction books too.

Create a pirate ship. Use any materials you have at home.

Visit a local beach... what can you see? What can you smell? Can you find some shells? Can you write about all of the things you have seen. This could be a list or write some sentences. Remember to use a capital letter, finger spaces and a full stop.

Can you write all of the numbers 1-20. Make sure that the numbers are all facing the right way.

Writing Numbers 1-20

Trace the numbers.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
